Distilled spirits excise taxes, less the estimated amounts necessary for payment of refunds and drawbacks, collected on all rum imported into the United States (including rum from possessions other than Puerto Rico and the Virgin Islands), will be deposited

§ 250.31

27 CFR Ch. I (4–1–01 Edition)

into the Treasuries of Puerto Rico and the Virgin Islands according to the formula described in § 250.31. The amount deposited into the Treasuries of Puerto Rico and the Virgin Islands shall be the lesser of \$10.50, or the rate imposed by 26 U.S.C. 5001(a)(1) (including adjustments to the effective tax rate under 26 U.S.C. 5010), on each proof gallon of rum imported into the United States.

(Aug. 16, 1954, Chapter 736, 68A Stat. 907, as amended (26 U.S.C. 7652))

[T.D. ATF-203, 50 FR 15888, Apr. 23, 1985]

§ 250.31 Formula.

(a) The amount of excise taxes collected on rum that is imported into the United States from areas other than Puerto Rico and the Virgin Islands shall be deposited into the Treasuries of Puerto Rico and the Virgin Islands at the rate prescribed in 26 U.S.C. 7652(f). The distribution of such amount between Puerto Rico and the Virgin Islands shall be computed by using a permanent base percentage, which represents the excise taxes collected on rum brought into the United States from Puerto Rico and the Virgin Islands during fiscal year 1983. This base percentage is 87.626889 percent for Puerto Rico and 12.373111 percent for the Virgin Islands. The formula shall be as follows:

(1) Multiply the total excise taxes collected on rum brought into the United States (including rum from Puerto Rico and the Virgin Islands) during the previous fiscal year (October 1–September 30) by the base percentages to determine the relative shares of the entire U.S. rum market that will be allotted to Puerto Rico and the Virgin Islands;

(2) Subtract each of these shares from the excise taxes collected on rum transported to the United States from Puerto Rico and the Virgin Islands, respectively, during the previous fiscal year to determine each possession's loss or gain in relation to the previous fiscal year's U.S. rum market. Divide these results by the excise taxes collected on rum imported during the previous fiscal year from areas other than Puerto Rico and the Virgin Islands.

(b) Notwithstanding the formula prescribed in paragraph (a) above, the Vir-

gin Islands' share of the excise taxes on rum imported into the United States from areas other than Puerto Rico and the Virgin Islands shall not exceed 49 percent nor drop below 12.373111 percent. Puerto Rico's share of the excise taxes on rum imported into the United States from areas other than Puerto Rico and the Virgin Islands shall not exceed 87.626889 percent nor drop below 51 percent.

(c) The percentage for the distribution of the excise taxes collected on rum imported into the United States from areas other than Puerto Rico and the Virgin Islands, that will be paid over to the Treasuries of Puerto Rico and the Virgin Islands, shall be effective on March 1 of each year, and shall remain in effect until March 1 of the following year.

(d) The method for transferring the excise tax collections on rum imported from areas other than Puerto Rico and the Virgin Islands, into the Treasuries of Puerto Rico and the Virgin Islands shall be the same as the method used for transferring excise taxes into the Treasury of Puerto Rico on distilled spirits (with an alcohol content of at least 92 percent rum) brought into the United States from Puerto Rico.

(e) The formula prescribed in this section shall take effect on March 1, 1987. Prior to that date, Puerto Rico shall continue to receive 86.4 percent of the eligible excise taxes on rum imported from areas other than Puerto Rico and the Virgin Islands. The Virgin Islands shall continue to receive 13.6 percent of these eligible excise taxes until March 1, 1987.

(b) The excise taxes collected on distilled spirits or articles containing distilled spirits shall be deposited into the Treasury of Puerto Rico only if at least 92 percent of the alcoholic content of such products is rum. The amount deposited into the Treasury of Puerto Rico shall not exceed the lesser of \$10.50, or the rate imposed by 26 U.S.C. 5001(a)(1) (including adjustments to the effective tax rate under 26 U.S.C. 5010), on each proof gallon of such distilled spirits or articles, other than eligible articles, containing distilled spirits coming into the United States or consumed on the island. Such excise tax deposits will be reduced by the estimated amount necessary for payment of refunds and drawbacks.

(c) Except for products described in 26 U.S.C. 7652(c), no excise taxes shall be deposited into the Treasury of Puerto Rico if an excise tax subsidy is provided by Puerto Rico that is of a kind different from, or in an amount per value or volume of production greater than, any subsidy offered by Puerto Rico to industries manufacturing products not subject to Federal excise tax.

(c) Where credit against the tax is desired, the person liable for the tax shall establish an effective tax rate in accordance with § 250.79a. § 250.79a Computation of effective tax rate.

(a) The proprietor shall compute the effective tax rate for distilled spirits containing eligible wine or eligible flavors as the ratio of the numerator and denominator as follows:

(1) the numerator will be the sum of:

(i) The proof gallons of all distilled spirits used in the product (exclusive of distilled spirits derived from eligible flavors), multiplied by the tax rate prescribed by 26 U.S.C. 5001;

(ii) The wine gallons of each eligible wine used in the product, multiplied by the tax rate prescribed by 26 U.S.C. 5041(b) (1), (2), or (3), as applicable; and

(iii) The proof gallons of all distilled spirits derived from eligible flavors used in the product, multiplied by the tax rate prescribed by 26 U.S.C. 5001, but only to the extent that such distilled spirits exceed 2½% of the denominator prescribed in paragraph (a)(2) of this section.

(2) The denominator will be the sum of:

(i) The proof gallons of all distilled spirits used in the product, including distilled spirits derived from eligible flavors; and

(ii) The wine gallons of each eligible wine used in the product, multiplied by twice the percentage of alcohol by volume of each, divided by 100.

(b) In determining the effective tax rate, quantities of distilled spirits, eligible wine, and eligible flavors will be expressed to the nearest tenth of a proof gallon. The effective tax rate may be rounded to as many decimal places as the proprietor deems appropriate, provided that, such rate is expressed no less exactly than the rate rounded to the nearest whole cent, and the effective tax rates for all products will be consistently expressed to the same number of decimal places. In such case, if the number is less than five it will be dropped; if it is five or over, a unit will be added.

(c) The following is an example of the use of the formula.

§ 250.112a Payment of tax by electronic fund transfer.

(a) *General.* (1) Each taxpayer who was liable, during a calendar year, for a gross amount equal to or exceeding five million dollars in distilled spirits taxes combining tax liabilities incurred under this part and parts 19 and 251 of this chapter, a gross amount equal to or exceeding five million dollars in wine taxes combining tax liabilities incurred under this part and parts 240 and 251 of this chapter, or a gross amount equal to or exceeding five million dollars in beer taxes combining tax liabilities incurred under this part and parts 25 and 251 of this chapter, shall use a commercial bank in making payment by electronic fund transfer (EFT) of such taxes during the succeeding calendar year. Payment by

cash, check, or money order, of distilled spirits taxes, wine taxes, or beer taxes, as described in § 250.112, is not authorized for a taxpayer who is required, by this section, to make remittances by EFT. For purposes of this section, the dollar amount of tax liability is to be summarized separately for distilled spirits taxes, wine taxes, or beer taxes, and is defined as the gross tax liability on each type of product for which taxes are paid in accordance with this subpart, taxable withdrawals from premises in the United States, and importation during the calendar year, without regard to any drawbacks, credits, or refunds, for all premises at which tax liabilities are incurred by the taxpayer. Overpayments are not taken into account in summarizing the gross tax liability.

(2) For the purposes of this section, a taxpayer includes a controlled group of corporations, as defined in 26 U.S.C. 1563, and implementing regulations in 26 CFR 1.1563-1 through 1.1563-4, except that the words “at least 80 percent” shall be replaced by the words “more than 50 percent” in each place it appears in subsection (a) of 26 U.S.C. 1563, as well as in the implementing regulations. Also, the rules for a “controlled group of corporations” apply in a similar fashion to groups which include partnerships and/or sole proprietorships. If one entity maintains more than 50% control over a group consisting of corporations and one, or more, partnerships and/or sole proprietorships, all of the members of the controlled group are one taxpayer for the purpose of determining who is required to make remittances by EFT.

(3) A taxpayer who is required by this section to make remittances by EFT, shall make a separate EFT remittance and file a separate tax return, for each premises from which distilled spirits, wine, or beer is withdrawn upon determination of tax.

(b) *Requirements.* (1) On or before January 10 of each calendar year, except for a taxpayer already remitting the tax by EFT, each taxpayer who was liable for a gross amount equal to or exceeding five million dollars in distilled spirits taxes combining tax liabilities incurred under this part and parts 19 and 251 of this chapter, a gross amount

equal to or exceeding five million dollars in wine taxes combining tax liabilities incurred under this part and parts 240 and 251 of this chapter, or a gross amount equal to or exceeding five million dollars in beer taxes combining tax liabilities incurred under this part and parts 245 and 251 of this chapter during the previous calendar year, shall notify, in writing, the regional director (compliance), for each region in which taxes are paid. The notice shall be an agreement to make remittances by EFT.

(2) For each return filed in accordance with this part, the taxpayer shall direct the taxpayer's bank to make an electronic fund transfer in the amount of the taxpayment to the Treasury Account as provided in paragraph (e) of this section. The request shall be made to the bank early enough for the transfer to be made to the Treasury Account by no later than the close of business on the last day for filing the return, prescribed in § 250.112 or § 250.113. The request shall take into account any time limit established by the bank.

(3) If a taxpayer was liable for less than five million dollars in distilled spirits taxes combining tax liabilities incurred under this part and parts 19 and 251 of this chapter, less than five million dollars in wine taxes combining tax liabilities incurred under this part and parts 240 and 251 of this chapter, or less than five million dollars in beer taxes combining tax liabilities incurred under this part and parts 245 and 251 of this chapter during the preceding calendar year, the taxpayer may choose either to continue remitting the tax as provided in this section or to remit the tax with the return as prescribed by § 250.112. Upon filing the first return on which the taxpayer chooses to discontinue remitting the tax by EFT and to begin remitting the tax with the tax return, the taxpayer shall notify the regional director (compliance) by attaching a written notification to the tax return, stating that no taxes are due by EFT, because the tax liability during the preceding calendar year was less than five million dollars, and that the remittance shall be filed with the tax return.

(c) *Remittance.* (1) Each taxpayer shall show on the tax return, informa-

tion about remitting the tax for that return by EFT and shall file the return with the Chief, Puerto Rico Operations.

(2) Remittances shall be considered as made when the taxpayment by electronic fund transfer is received by the Treasury Account. For purposes of this section, a taxpayment by electronic fund transfer shall be considered as received by the Treasury Account when it is paid to a Federal Reserve Bank.

(3) When the taxpayer directs the bank to effect an electronic fund transfer message as required by paragraph (b)(2) of this section, any transfer data record furnished to the taxpayer, through normal banking procedures, will serve as the record of payment, and shall be retained as part of required records.

(d) *Failure to make a taxpayment by EFT.* The taxpayer is subject to a penalty imposed by 26 U.S.C. 5684, 6651, or 6656, as applicable, for failure to make a taxpayment by EFT on or before the close of business on the prescribed last day for filing.

(e) *Procedure.* Upon the notification required under paragraph (b)(1) of this section, the regional director (compliance) will issue to the taxpayer an ATF Procedure entitled, Payment of Tax by Electronic Fund Transfer. This publication outlines the procedure a taxpayer is to follow when preparing returns and EFT remittances in accordance with this part. tained from the Secretary as provided in §§ 250.115 and 250.116.

§ 250.115 Application, Form 487B.

Application for permit to ship to the United States liquors and articles of Puerto Rican manufacture on which all taxes have been paid or deferred as prescribed in this subpart shall be made by the shipper on Form 487B, in sextuple. Each Form 487B will be given a serial number, by the applicant, beginning with "1" for the first day of January of each year and running consecutively thereafter to December 31, inclusive. This serial number will be prefixed by the last two digits of the calendar year, e.g. "61-1." All copies of the form shall be delivered to the revenue agent for execution of his certification thereon and forwarding of all copies to the Secretary within sufficient time to allow for the issuance of the permit and customs inspection as provided in § 250.116.

§ 250.116 Issuance of permit, Form 487B, and customs inspection.

If the application has been properly executed and the Secretary, or his delegate, finds that all internal revenue taxes imposed under 26 U.S.C. 7652(a), have been computed under the provisions of this part and have been paid or, pursuant to a sufficient bond, have been deferred under the applicable provisions of this part, he will execute his permit on all copies thereof, retain one copy of the form, return two copies to the shipper, and send three copies to the district director of customs in Puerto Rico. The shipper will submit the two copies of the Form 487B to the district director of customs at least six hours prior to the intended lading of the merchandise. The district director of customs will then inspect the merchandise covered by the Form 487B after which he will execute his certificate on each copy of Form 487B indicating all exceptions. If discrepancies appear indicating differences between the quantity covered by Form 487B and the quantity actually contained in the shipment or the improper tax payment of the merchandise, he will withhold release of the shipment and notify the

Secretary of such discrepancies. Thereupon, such discrepancies must be corrected in the shipping documents and additional tax paid, if required, prior to release of the merchandise. The district director of customs, upon release of the merchandise for shipment, will retain one copy of the Form 487B, return two copies to the shipper, and send two copies to the district director of customs at the port of arrival in the United States, one of which should be mailed and the other dispatched on the vessel concerned for the guidance of the ATF officer who will handle the cargo. After the shipment has been cleared by the district director of customs in Puerto Rico, the shipper shall retain one copy of the Form 487B and send one copy thereof, with other shipping documents, to the district director of customs at the port of arrival.

250.262 Determination of tax on distilled spirits.

(a) If the certificate required by § 250.205 covers distilled spirits, and the distilled spirits are not being transferred under subparts 0 or 0a of this part, the tax imposed by 26 U.S.C. 7652 which provides for a tax equal to the tax imposed by 26 U.S.C. 5001 will be collected on each proof gallon, and fractional part thereof, contained in the shipment.

(b) A credit against the tax imposed on distilled spirits by 26 U.S.C. 7652 is allowable under 26 U.S.C. 5010 on each proof gallon of alcohol derived from eligible wine or from eligible flavors which do not exceed 2 ½ percent of the finished product on a proof gallon basis. The credit is allowable at the time the tax is payable as if it constituted a reduction in the rate of tax.

(c) Where credit against the tax is desired, the person liable for the tax shall establish an effective tax rate in accordance with § 250.262a. The effective tax rate established will be applied to each withdrawal or other disposition of the distilled spirits within the United States.

[T.D. ATF-297, 55 FR 18068, Apr. 30, 1990]

§ 250.262a Computation of effective tax rate.

(a) The proprietor shall compute the effective tax rate for distilled spirits

containing eligible wine or eligible flavors as the ratio of the numerator and denominator as follows:

(1) The numerator will be the sum of:

(i) The proof gallons of all distilled spirits used in the product (exclusive of distilled spirits derived from eligible flavors), multiplied by the tax rate prescribed by 26 U.S.C. 5001;

(ii) The wine gallons of each eligible wine used in the product, multiplied by the tax rate prescribed by 26 U.S.C. 5041(b) (1), (2), or (3), as applicable; and

(iii) The proof gallons of all distilled spirits derived from eligible flavors used in the product, multiplied by the tax rate prescribed by 26 U.S.C. 5001, but only to the extent that such distilled spirits exceed 2½% of the denominator prescribed in paragraph (a)(2) of this section.

(2) The denominator will be the sum of:

(i) The proof gallons of all distilled spirits used in the product, including distilled spirits derived from eligible flavors; and

(ii) The wine gallons of each eligible wine used in the product, multiplied by twice the percentage of alcohol by volume of each, divided by 100.

(b) In determining the effective tax rate, quantities of distilled spirits, eligible wine, and eligible flavors will be expressed to the nearest tenth of a proof gallon. The effective tax rate may be rounded to as many decimal places as the proprietor deems appropriate, provided that, such rate is expressed no less exactly than the rate rounded to the nearest whole cent, and the effective tax rates for all products will be consistently expressed to the same number of decimal places. In such case, if the number is less than five it will be dropped; if it is five or over, a unit will be added.

(c) The following is an example of the use of the formula.

§ 250.267 Payment of tax by electronic fund transfer.

(a) Each person bringing liquors and articles into the United States from the Virgin Islands who was liable, during a calendar year, for a gross amount equal to or exceeding five million dollars in distilled spirits taxes combining tax liabilities incurred under this part and parts 19 and 251 of this chapter, a gross amount equal to or exceeding five million dollars in wine taxes combining tax liabilities incurred under this part and parts 240 and 251 of this chapter, or a gross amount equal to or exceeding five million dollars in beer taxes combining tax liabilities incurred under this part and parts 25 and 251 of this chapter, shall use a commercial bank in making payment by electronic fund transfer (EFT), as defined in paragraph (c) of this section, of such taxes during the succeeding calendar year. Payment of such taxes by cash, check, or money order is not authorized for a person bringing liquors and articles into the United States from

the Virgin Islands who is required, by this section, to make remittances by EFT. For purposes of this section, the dollar amount of tax liability is to be summarized separately for distilled spirits taxes, wine taxes, or beer taxes, and is defined as the gross tax liability on all taxable withdrawals from premises in the United States and importations (including products of the same tax class brought into the United States from Puerto Rico or the Virgin Islands) during the calendar year, without regard to any drawbacks, credits, or refunds, for all premises from which such activities are conducted.

(b) For the purposes of this section, a “person” includes a controlled group of corporations, as defined in 26 U.S.C. 1563, and implementing regulations in 26 CFR 1.1563-1 through 1.1563-4, except that the words “at least 80 percent” shall be replaced by the words “more than 50 percent” in each place it appears in subsection (a) of 26 U.S.C. 1563, as well as in the implementing regulations. Also, the rules for a “controlled group of corporations” apply in a similar fashion to groups which include partnerships and/or sole proprietorships. If one entity maintains more than 50% control over a group consisting of corporations and one, or more, partnerships and/or sole proprietorships, all of the members of the controlled group are one person for the purpose of determining who is required to make remittances by EFT.

(c) Electronic fund transfer or EFT means any transfer of funds, other than a transaction originated by check, draft, or similar paper instrument, which is initiated through an electronic terminal, telephonic instrument, or computer of magnetic tape, so as to order, instruct, or authorize a financial institution to either debit or credit an account, in accordance with procedures established by the U.S. Customs Service.
